

Reyna Partnering Solutions

Deliver More to Your Customers Through Experienced, Effective Financing with Reyna Capital Corporation.

What We Offer

We want to work with you. With **over 25 years of solid financing experience**, we offer you and your customers more than other financing companies. **Reyna Capital** provides:

- **Quick credit decisions.**
- **Standard lease terms from 12 – 60 months.**
- **Competitive rates.**
- **Fast turnaround.**

In addition, our extensive automotive industry experience is a true asset. Our customers include dealerships, independent repair facilities, and body shops. We understand their needs and wants and how their businesses operate.

We finance a wide array of equipment including:

- **Service instruments, including lifts, alignment systems, tire changers, etc.**
- **Parts storage and shelving systems.**
- **Office equipment.**
- **Signs.**
- **Phone systems.**

With **Reyna Capital**, you can help your customers get what they need with easy financing and competitive rates. We may also help you sell more items at higher margins through our competitive financing solutions.

For your equipment financing needs, put Reyna Capital to work for you.

Reyna is a wholly-owned subsidiary of The Reynolds and Reynolds Company, providing leasing solutions for the automotive market.

Monitor Leasing, a major industry publication, ranks Reyna as one of the industry's top 100 leasing companies.
