

ERA 'Net Interactive or Enhancement Classes for Advanced Reporting 2.0

Learn more about Advanced Reporting 2.0

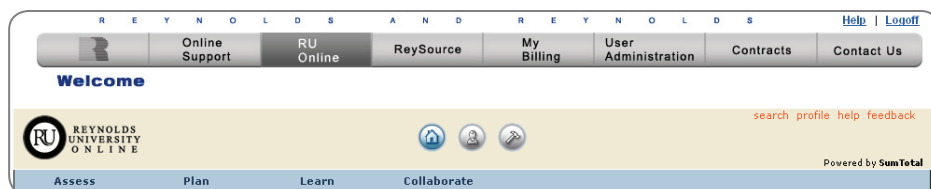

Introducing: RU Online ERA 'Net Interactive Training

Reynolds is offering a training seminar for experienced Advanced Reporting users and a set of comprehensive classes for novice users. From the comfort of your office, or anywhere you have a computer with an Internet connection, you will be able to participate in the Advanced Reporting 2.0 comprehensive training and enhancement seminars.

These Training seminars are not recordings or conference calls!

The LIVE seminars are interactive sessions where you can see and talk* to your Reynolds University instructor as the new software is demonstrated.

Step 1: Log onto <https://my.reyrey.com> and select **RU Online**.

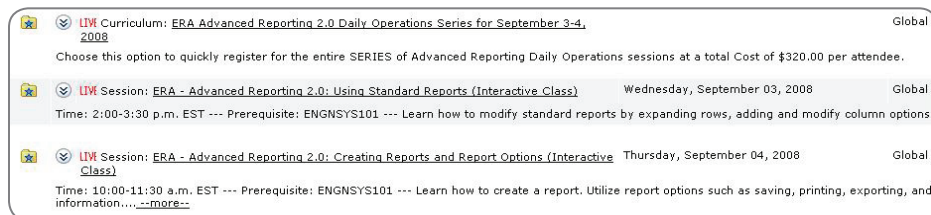

Step 2: Follow the quick link to the **ERA 'Net Interactive or Enhancement Classes** for Advanced Reporting.

- Advanced Reporting 2.0: Introduction and Navigation.
- Advanced Reporting 2.0: Using Standard Reports.
- Advanced Reporting 2.0: Creating Reports and Report Options.
- Advanced Reporting 2.0: Maintain User Security.
- ERA 8.0.2 Enhancements: Advanced Reporting 2.0.

Step 3: Enroll for the entire four-course ERA 'Net series or register for the individual classes that best fit your schedule. Select **Register** and then select **Finish**. Once registered, you will receive a confirmation e-mail and link to join the session.

If you decide to cancel ERA 'Net classes, you must cancel one (1) full business day prior to the start date of class to avoid being billed.

*A headset is recommended for learners to reduce interruptions; a microphone on the headset enables the learner to speak directly with the instructor and other class participants.

Reynolds training is flexible with classes offered frequently and at a variety of times to fit your needs.

The LIVE seminars simulate real classroom training. They are interactive sessions where you can see and talk* to your Reynolds University instructor!
